

Take Home STEAM ▶ Activities.

Brian Moreno
Blue Island Public Library

Blue Island Public Library

Located in the center of Blue Island

How is it going with STEAM programs / What I have learned from hosting STEAM programs

- ▶ Partnered with local Summer camp Corazón a Corazón for a Summer camp STEAM Day.
- ▶ Started weekly 3D Printing with Minecraft club, Science Lab, Laser engraving this Fall.
- ▶ Our youth love STEAM!
- ▶ They love it even more when they want to take our programming material home!

Focus on Underserved Youth in Blue Island

Take home activities are free to all STEAM program attendees.

Take home kits can be reusable.
